

This book tells the story of the Dorking Mayflower Pilgrims of 1620 who risked everything to start a new life in the New World. It also gives an insight into day to day life in the town they left behind. It is available from the Dorking Museum web site.

Cut out and glue ends only

Hole for mast 3

How to build your Mayflower

- Carefully cut-out all the parts.
- Pierce small holes to hold the masts at the points indicated. ⊗
- Fold along all dashed lines.
- Place 3 pieces of blu-tack on the inside of the base where shown. These will be used later to hold the masts in place.
- Glue tabs in number order.
- Pierce holes through the sails (see sheet 2) at the points indicated. ⊗
- Use small wooden kebab sticks (painted brown) as masts and cut to sizes shown on sheet 2.
- Slide the masts through the sails and glue the flags to the top of the masts.
- Place the masts and sails through the deck and into the blu-tack.
- Glue your completed model to the Atlantic Ocean (see sheet 2) and sail away to the new world.
